

BLOOD DONATION CAMP
JOINTLY ORGANIZED BY
NSS UNIT, B.ED SECTION
UNIVERSITY B.T.&EVENING COLLEGE, COOCH BEHAR
11.08.2026

A Blood Donation Camp was successfully organized by the NSS volunteers of AUR College on the college campus. The objective of the camp was to spread awareness about the importance of voluntary blood donation and to contribute to the community health services by collecting blood for those in need.

The camp was jointly organized by the B.Ed. Section and the NSS Unit of AUR College. NSS volunteers played a key role in planning, coordinating, and managing the entire event. Faculty members and staff from both sections provided guidance and support throughout the program.

"DONATING BLOOD IS DONATING LIFE" AND THAT ONE UNIT OF BLOOD CAN SAVE UP TO THREE LIVES"

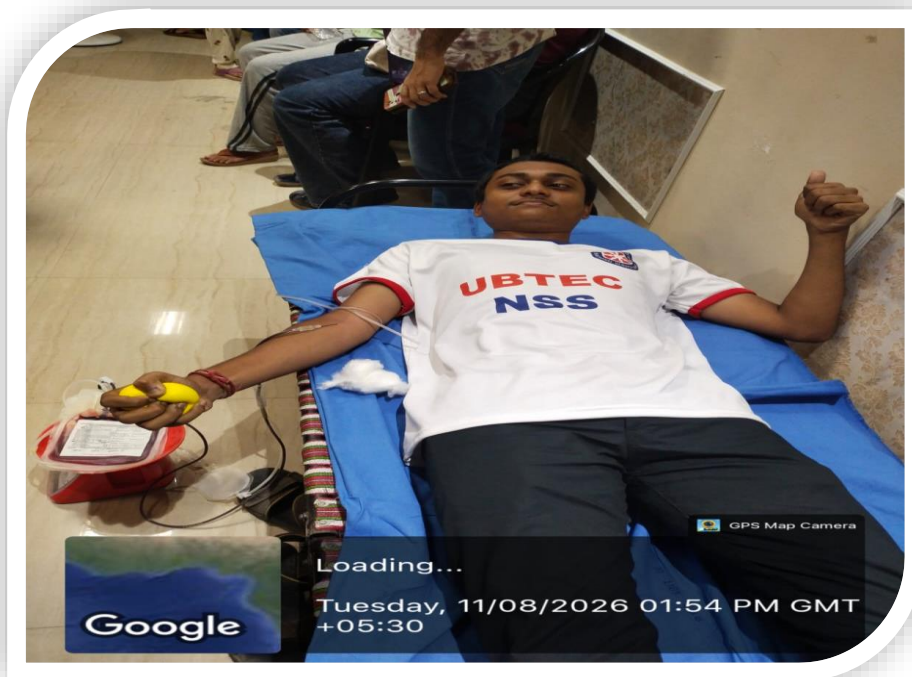

The camp was conducted in collaboration with M.J.N Medical College hospital blood bank.

A large number of students, teaching staff, and non-teaching staff participated enthusiastically in the camp. Before donation, all donors underwent a basic health check-up including blood pressure, haemoglobin, and weight screening.

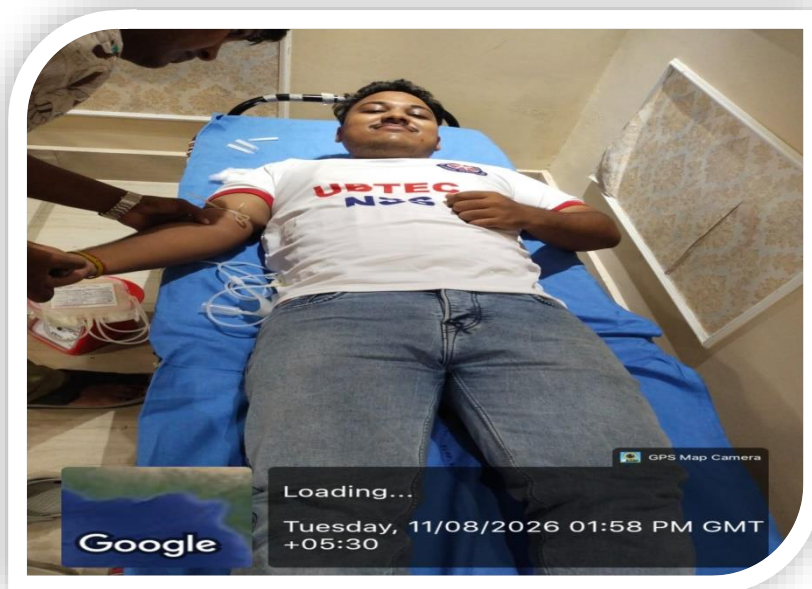

Donors were provided with certificates of appreciation, refreshments, and health advice after donating blood.

The camp witnessed active participation and collected a significant number of blood units. The event not only helped in stocking blood for hospitals but also created awareness among students about social responsibility and voluntary service. The NSS volunteers gained valuable experience in organizing a social welfare program.

The Blood Donation Camp was a great success due to the joint efforts of the B.Ed Section and the NSS Unit. One of the NSS volunteer donate blood today to a serious patient at M.J.N. Medical College and Hospital. It reflected the spirit of service and humanity among the students.

The college management and organizers expressed gratitude to all donors, volunteers, medical staff, and faculty members who made the camp possible.

Such initiatives will continue to be organized in the future to promote health awareness and social service among students.

DONATING BLOOD IS A NOBLE ACT

The camp witnessed active participation and collected a significant number of blood units. The event not only helped in stocking blood for hospitals but also created awareness among students about social responsibility and voluntary service. The NSS volunteers gained valuable experience in organizing a social welfare program.
