Today, the Hon'ble Prime Minister of India addressed the youth of the country as part of the mission to achieve the goal of "Viksit Bharat" or Developed India. The address was live-streamed and watched collectively at our college, University B.T & Evening College Cooch Behar.

The program was attended by NSS volunteers, students from various departments, faculty members, and office staff. The presence of both teaching and non-teaching staff reflected the importance given to the event.

In his speech, the Prime Minister outlined the roadmap for building a “Viksit Bharat” by 2047 and urged young people to take an active role in nation-building.

He specifically addressed NSS volunteers and called upon them to lead initiatives for a drug-free society. He emphasized the need to spread awareness about the harmful effects of substance abuse and to take concrete steps to guide youth toward healthy and productive lives.
