"NO PLASTIC, GREEN FUTURE"

On the occasion of Engineers' Day, the NSS Unit of University B.T. & Evening College, Cooch Behar organized a "No Plastic Campaign for Sustainable Development of Environment" at Cooch Behar Polytechnic College to create awareness about plastic pollution and to promote sustainable alternatives.

The program started with garlanding the portrait of Bharat Ratna Sir M. Visvesvaraya. The program was inaugurated by the Principal of Cooch Behar Polytechnic College. In his speech, he highlighted the role of engineers in building a sustainable and plastic-free future.

Distribution of Eco-Friendly Bags, Paper bags were distributed among teachers as an alternative to plastic bags.

Pledge Taking Ceremony All students, teachers and volunteers took a pledge to avoid single-use plastic and to protect the environment.

The campaign was a grand success. It not only cleaned the campus but also sensitized the students about their responsibility towards the environment. The program ended with a vote of thanks delivered by the NSS Program Officer and senior faculty of polytechnic college.

The NSS Program Officer explained that "Engineers shape the future, and the future must be green, not plastic."

The program concluded with the message that Engineering is not only about making new things, but also about sustaining the world we live in. The initiative was highly appreciated by all.
