Dr. Ankita Mukharjee, Principal of this college has delivered the welcome address. Dr. Mihir Ranjan Biswas, Convenor of this programme has introduced the importance and significance of the title of the Periodic lecture

Prof. Laksmikanta Padhi, Dept. Of Philosophy, NBU in his lecture tried to define the moral relationship between humans and the environment, promoting sustainable, equitable and responsible treatment of nature. It aims to preserve eco systems, protect bio-diversity, ensure justice for all species and future generations.

Dr. Somdatta Bhattacharya, Dept. Of Philosophy, C.P.B.U in her lecture clearly mentioned a broader perspective that extends moral consideration beyond humans to include the rights of non-human species and eco-systems. She spoke about the moral, ethical, and theoretical framework that ensures fair treatment and meaningful involvement of all people, regardless of race, color, national origin or income, in the development and enforcement of environmental laws and policies.

At the end of the lecture programme an open discussion has done. All students and Teachers have participated this session.

The programme was ended with vote of thanks speech has delivered by Dr. Pankaj Sarkar, State Aided College teacher, University B.T. & Evening College.
